FOR THE DIOCESE OF BURLINGTON

OBSERVING *the first* WORLD DAY OF THE POOR

In his apostolic letter to close the Year of Mercy, Pope Francis suggested the Catholic Church set aside one day each year when communities can “reflect on how poverty is at the very heart of the Gospel.” He designated this day as the “World Day of the Poor.” It will be celebrated on the 33rd Sunday in Ordinary time (two Sundays before the season of Advent) each year. The inaugural World Day of the Poor is Sunday, November 19.

“It would be a day to help communities and each of the baptized to reflect on how poverty is at the very heart of the Gospel and that, as long as Lazarus lies at the door of our homes (Lk 16:19-21), there can be no justice or social peace. This day will also represent a genuine form of new evangelization (Mt 11:5) which can renew the face of the Church as She perseveres in her perennial activity of pastoral conversion and witness to mercy.”

— Pope Francis

5 WAYS TO OBSERVE THE WORLD DAY OF THE POOR

1. PRAY FOR THE POOR.

There are many people who need our prayers. If you're overwhelmed and not sure where to start, try praying with your newsfeed. As you see headlines about what's happening around the world, pause and pray for the people affected by those stories.

2. PRACTICE THE CORPORAL WORKS OF MERCY.

The Corporal Works of Mercy are drawn from Jesus' life and teachings. They call us to feed the hungry, give drink to the thirsty, shelter the homeless, visit the sick and imprisoned, bury the dead and give alms to the poor. Pope Francis added a new work of mercy: to care for God's creation. The Corporal Works of Mercy offer a clear model and starting point for how to care for our neighbors in need.

3. MAKE CARING FOR THE POOR PART OF YOUR ROUTINE.

Do you buy coffee, chocolate or Christmas gifts? One way to support low-income workers around the world is by buying things you use on a regular basis from organizations that pay a fair wage. If you drink coffee or tea, look for a fair trade label, which means that the farmers who harvest the coffee or tea are paid fairly and work in safe conditions. As you begin your Christmas shopping, consider buying gifts from throughout the world that are produced and traded ethically.

4. LEARN ABOUT THE CAUSES OF POVERTY AND WORK TO CHANGE THEM.

There are many reasons why people around the world are trapped in poverty. Lack of jobs, war and climate change

that affects what farmers can grow are only a few examples. We can raise our voices together to ask our government to support policies that help address these causes of poverty.

5. SUPPORT THE CHURCH'S OUTREACH TO THE POOR.

One way to care for the poor around the world is to support the work of Catholic Charities and Catholic Relief Services, the national and international humanitarian agencies of the Catholic community in the United States. Catholic Charities and CRS are motivated by the example of Jesus Christ to assist poor and suffering people in more than 100 countries.
