PRAYER WALL

Who do you pray for? If you do not have a “prayer wall” or spot on the refrigerator, start one. Choose a time to pray together, asking for God’s mercy for those you are praying for. Take turns leading the prayer time.

DIVINE MERCY

Saint Faustina Kowalska experienced the divine mercy of Jesus, through her apparitions. Learn more about St. Faustina and plan a feast in her honor (perhaps polish sausage and cabbage). As a bonus, pray together the Divine Mercy Chaplet, which can be found here:

HAVE A “REMEMBERING NIGHT”

Starting with the adults, reminisce about the first time you saw each other, your first date, and when each of you realized he/she might be “the one”. Then share when you met your family members and how this added to your family. End with a prayer thanking the Holy Spirit for bringing you together.

WASTING TIME TOGETHER

Family Champions, your challenge is to “Waste Time Together”. Start with spending 15 minutes everyday this week to be together. Make it a priority to work side-by-side, talk about something more than “what happened today”, and be in the moment. Build on this time and by the end of the week, you might even have an hour! Wasting time together shouldn’t be an obligation, but a blessing.
